Slotted Weight Set for General Science and Physics in Weighing Operations,
Polished Brass, with Hanger 10 pcs 100grams

Slotted Weight Set, 100G - Brass

Slotted Weight Set is complete with removable slotted brass weights.

Slotted Weight Set Includes a brass hanger

Total weight of Slotted Weight Set is for masses

Slotted Weight Set packed in a reusable plastic storage case

Includes the following:

Nine 10g brass slotted weights

One 10g brass hanger

SKU:0201110370-01

Slotted Weight Set for General Science and Physics in Weighing
Operations, Polished Brass, with Hanger 10 pcs 200grams

Slotted Weight Set, 200G – Solid Brass

Slotted Weight Set is complete with removable slotted brass weights.

Slotted Weight Set includes a brass hanger

Total weight of Slotted Weight Set is for masses

Slotted Weight Set is packed in a reusable plastic storage case

Includes the following:

Nine 20g brass slotted weights

One 20g brass hanger

SKU: 0201110370-02

Slotted Weight Set for General Science and Physics in Weighing Operations, Polished Brass, with Hanger 13 pcs 250grams

Slotted Weight Set, 250G – Solid Brass
Complete with removable slotted brass weights.
Includes a brass hanger
Total weight of Slotted Weight Set is for masses
Packed in a reusable plastic storage case
Includes the following:
Nine 20g brass slotted weights
One 10g brass slotted weight
Two 5g brass slotted weights
One 50g brass hanger

SKU:0201110370-03

Slotted Weight Set for General Science and Physics in Weighing Operations, Polished Brass, with Hanger 10 pcs 500grams

SKU:0201110370-03

Slotted Weight Set, 500G – Solid Brass
Complete with removable slotted brass weights.
Slotted Weight Set includes a brass hanger
Total weight of Slotted Weight Set is for masses
Slotted Weight Set is packed in a reusable plastic storage case
Includes the following:
Nine 50g brass slotted weights
One 50g brass hanger

Slotted Weight Set for General Science and Physics in Weighing Operations, Polished Brass, with Hanger 10 pcs 1000grams

Slotted Weight Set, 1000G - Brass
Complete with removable slotted brass weights.
Slotted Weight Set includes a brass hanger
Total weight of Slotted Weight Set is for masses
Packed in a reusable plastic storage case
Includes the following:
Nine 100g brass slotted weights
One 100g brass hanger

SKU: 0201110370-05

Slotted Weight Set for General Science and Physics in Weighing Operations, Polished Brass, with Hanger, 1000grams, with a Desktop Rack and 8 Weights

SKU: 0201110370-06

Complete with removable slotted brass weights.
Includes a desktop rack
Includes the following:
One 500g brass slotted weight
Two 200g brass slotted weights
One 100g brass slotted weight
One 50g brass slotted weight
Two 20g brass slotted weights
One 10g brass slotted weight

Slotted Weight Set for General Science and Physics in Weighing
Operations, Polished Brass, 500grams with a Desktop Rack and 12 Weights

Slotted Weight Set– Solid Brass removable weights.

Includes a desktop rack and:

- One 500g brass slotted weight
- Two 200g brass slotted weights
- One 100g brass slotted weight
- One 50g brass slotted weight
- Two 20g brass slotted weights
- One 10g brass slotted weight
- One 5g brass slotted weight
- Two 2g brass slotted weight
- One 1g brass slotted weight

SKU: 0201110370-07

Slotted Weight Set for General Science and Physics in Weighing
Operations, Chrome Plated Iron, 10 pcs 100grams

SKU: 0201110370-08

Slotted Weight Set, 100G - Chromium-Plated Iron
Complete with removable chromed high-quality iron weights and hanger, durable.

Slotted Weight Set includes a hanger

Total weight of Slotted Weight Set is for masses
Packed in a reusable plastic storage case

Includes the following:

- Nine 10g slotted Chrome Plated Iron weights
- One 10g hanger

Slotted Weight Set for General Science and Physics in Weighing Operations,
Chrome Plated Iron, 5 pcs 5KGs

SKU: 0201110370-15

Slotted Weight Set, 5KG - Chromium-Plated Iron
Complete with removable chromed high-quality steel weights and hanger, durable.

Slotted Weight Set includes a hanger

Total weight of Slotted Weight Set is for masses

Packed in a reusable plastic storage case

Includes the following:

Four 1kg slotted weights

One 1kg hanger

Slotted Weight Set for General Science and Physics in Weighing Operations,
Chrome Plated Iron, with a Desktop Rack and 8 weights

Slotted Weight Set -Chromium-Plated Iron

Complete with removable slotted weights.

Slotted weight set includes a desktop rack and
the following weights:

One 500g slotted weight

Two 200g slotted weights

One 100g slotted weight

One 50g slotted weight

Two 20g slotted weights

One 10g slotted weight

Slotted Weight Set -Chromium-Plated Iron

Complete with removable slotted weights.

Slotted weight set includes a desktop rack and following weights:

One 500g slotted weight

Two 200g slotted weights

One 100g slotted weight

One 50g slotted weight

Two 20g slotted weights

One 10g slotted weight

One 5g slotted weight

Two 2g slotted weight

One 1g slotted weight

Slotted Weight Hanger for General Science and Physics in Weighing Operations, 10g, use with slotted weights

SKU: 00201110370-18

Slotted weight hanger has a hook at top and a precise weight of 10g. This slotted weight hanger is an ideal hanger for use with slotted weights.

Slotted Weight Hanger 10g

Slotted Weight Hanger is made of brass or chromium-plated metal with standard slot 10-grams weight

Top Hook, Slotted
Hanger Only

SKU: 0201110370-19
